38-51 11th street

Long Island City ,NY 11101

We are proud to carry Superchute® polyethylene trash chutes. Superb ease-of-use and durability provide a quick, clean and safe solution. The design has been perfected to provide you with the right tool for debris removal.

Superchute® sections are tapered tubes that attach quickly and easily to one another reaching heights of 200+ L/F

**Our Chutes are Ideal for:**

- Builders
- Demo Contractors
- Roofers
- Masons
- Renovators
